

AACC  
INTERNATIONAL  
CPOCT **ONLINE**

The Latest  
**Point-of-Care  
Technologies**

*Preparing for an  
Era of Change*

**Join Us Online October 2, 2020**

AACC's International CPOCT Online brings you the latest on new and emerging applications and technologies in a one-day live virtual meeting. Join experts and participants from around the world in timely discussions from the convenience of your home or office.

- > Explore the role of artificial intelligence, advances in testing technologies, and emerging trends in CPOCT
- > Learn how to adapt to today's CPOCT challenges
- > Interact with leading experts during a live Q&A session
- > Earn ACCENT credit
- > Revisit sessions on-demand for up to one year

AACC's International CPOCT Online is perfect for clinical laboratory physicians, supervisors, directors, and managers, as well as pathologists and supporting laboratory professionals who want to stay up-to-date with CPOCT technologies.
